Transition

The Transition plan outlines the steps and services to support your child and family as you leave Early Steps at age three.

Preparing for Your Transition Conference

The following are options your family is interested in after your child turns three:

- Local school district (Pre-K)
- Head Start
- Agency for Persons with Disabilities
- Early care and education programs
- Other: _____

Your Transition Conference

Transition Conference Date: 1/6/23

What are your most important questions or concerns regarding your child's transition from Early Steps?
What new services will Sofia receive? Will Sofia continue to receive her current services?
Can Sofia's new teachers get to know her before she begins at Head Start?

The following activities will occur to address your questions and concerns:
A Head Start representative will be present at the transition conference. Sofia will visit her new classroom and learn about some of the routines before her first day. Sam, the Early Steps provider, and Sofia's caregivers will share information about Sofia's skills with her new teachers

The below agency/programs provided information regarding their services that included the evaluation/eligibility process:
Oaktree - the local school district (pre-K)
Head Start

The following activities will support your child's transition into a new setting/environment:
