Getting to Know Your Child and Family

Young children learn best through routines and activities that they are interested in and participate in often. It is helpful for us to know where and how your child regularly spends time so that we can develop this plan. As you and your Service Coordinator talk about your daily routines, she/he will summarize that information below.

What brought you to Early Steps?

Services Needed to Achieve Early Intervention Outcomes

The below services are recommended by your team to support your family in meeting the developmental needs of your child. You have the right to accept or decline some or all the recommended services.

Add Early Steps Service

Service Description	Outcome #	Frequency	Intensity (Minutes)	Provider Name & Phone	Primary Service Provider	Location	Auth. Start Date	Auth. End Date	Date Services Must Start by	Payer

Non-Natural Environment Justification

Services must be provided in day-to-day routines, activities, and places that promote learning opportunities for your child and family. This means settings, including home and community settings, that are natural or typical for your child's age peers (natural environment). As a team, we decided outcomes cannot be met in a natural environment due to the following individualized reasons:

Diagnosis Codes:

ICD-10 Codes	ICD-10 Description

Medical Necessity: If your child is a Medicaid recipient, the services reimbursed by Medicaid must be medically necessary. The following is an explanation of the medical necessity of your child's services, if applicable:

Complete below if using as the Plan of Care for Therapy Services:

The services above are medically necessary: _____ Date: _____
